Coupons for the Military

We need your excess or expired manufacturer cents off coupons. We will be collecting them and sending them to military bases around the world. Restaurant and "Store Specific" coupons can not be used, but any other manufacturer can be used. Military families can use these coupons in the base stores to help stretch their family budgets. Even expired coupons are useful as the base stores will accept manufacturer coupons for up to six months past their expiration date, so bring your unneeded or expired coupons and put them in the box in the RC. You can also place collection boxes in your home church, just remember to pick them up and bring them in. This will be an ongoing project, so keep bringing them in.

Bring Your "Normal Sized" Shoe Boxes to the Key Club Meetings

Key Club will be sponsoring a "Christmas Boxes for the Homeless" program this year. We have about 30 shoe boxes and need about 30 more. Bring the boxes to the Key Club meetings, do not put them in Mr. Zill's room as previously reported. We will be shopping for the items needed for these boxes soon and will be assembling and wrapping the boxes in early December. We need to have these complete by December 15th. We have requested funding from the United Way to assist with this project. **We need someone to take charge of this project, as well as people to go shopping for the needed supplies.**

Salvation Army Bell Ringing

Christmas is coming and so are the Salvation Army kettles. The Key Club will again be "manning the bells". The Salvation Army has reserved Saturday, December 19th from 9:00 a.m. to 6:00 p.m. @ Wal-Mart on Brockway (Food Entrance) for us. Our sponsoring Kiwanis Club will be at the other entrance. Let's see if we can "out ring" and "out collect" them. Sign up for your time slot in the RC.

Mobile Food Pantry

A mobile food pantry has been scheduled for Monday December 21st at the Neighborhood House. We need as many volunteers as possible to help with this food distribution. Bring your friends and join in the fun. Unloading begins at 10:00 a.m.
