Dear Parent:

Across the Saginaw Intermediate School District, we are attempting to understand and address the needs of all members of our school community should an emergency arise. To help us in this process, we are asking you to complete this short questionnaire. The questionnaire is anonymous. We only want general information to help us better meet the needs of you and your child (or children). Thank you for helping us in this important mission.

**Please check the boxes and write in responses as noted. Please check the box that best matches your experience or attitude. Additional comments are always welcome.**
