

VALLEY LUTHERAN HIGH SCHOOL

Valley Lutheran High School and its coaching staff are excited to announce our 2010 summer athletic camps and clinics. These clinics are designed to give the players fundamental instruction in the basic skills of the various sports listed below. We provide an opportunity for campers to grow in their knowledge of individual skills, team concepts, and in the faith God has planted in their hearts.

T-Shirts and More!

As part of every camp, each participant will receive a custom designed T-shirt, a daily snack, and an opportunity to win a variety of prizes through various skill contests conducted during camp.

2010 SUMMER SPORTS CAMPS AND CLINICS

Each clinic is directed by a Christian coach who is assisted by current and former players of Valley Lutheran. There will be lessons about sports, about life, and most importantly, about their relationship with the Master Coach, Jesus Christ. Please register early to ensure a quality experience because some camps and clinics have limited enrollment. Others require a minimum number of participants to make it a positive experience. Don't hesitate to call us if you have any questions!
