*****Plagiarism is the use of another person's words or ideas without proper credit through citations. Papers containing plagiarism will receive zero credit.**

Total Points (out of a possible 25): _____

Teachers: Please identify any papers that are really exceptional and could be used as examples to read for other students. It would be helpful to get some examples of each of the 6 choices and from students from each grade level. Graded papers should be brought to the late-start Tuesday meeting on September 15th to be distributed to the appropriate English teachers.
