 These clinics will be held at Valley Lutheran High School in Saginaw under the direction of head varsity baseball coach, Kurt Hofmeister and some of Valley's High School players. Fundamentals will be stressed so individuals may improve their skills.

 It is open to Moms and Dads, as well. You are welcome to come and listen to what is being taught. We are offering two separate sessions that are divided by age. Please check the schedule on the back carefully for details.

 Players will need to bring their own gloves, indoor shoes, and bat. If you're a catcher, you'll need your own catching equipment.

 You may register the day of the clinic, phone, mail, or email:
