

Valley Lutheran High School - Phase 5 Plan
Saginaw, MI

Julian Petzold, Executive Director (jpetzold@vlhs.com)

Lisa Meyers, Academic Dean (lmeyers@vlhs.com)

Category	As <u>required</u> , Valley Lutheran High School will do all of the following:	In <u>addition</u> , Valley Lutheran High School will also:
Personal Protective Equipment		Recommend facial coverings be worn by all staff except for during meals.
		Recommend facial coverings be worn by all students in hallways, inside classrooms, and common areas except for during meals.
	As required:	In addition:
Hygiene		Provide adequate supplies to support healthy hygiene behavior (soap, sanitizer, paper towels, tissues, etc.). Set up hand sanitizing stations around the school in convenient locations.
		Remind staff and students to wash hands or use sanitizer before and after leaving any room.
		Systematically and frequently check and refill soap and hand sanitizers.
	As required:	In addition:
Spacing, Movement, and Access		Space student desks in classrooms according to the current CDC guidelines.
		Maintain class sizes (wherever possible) to a level afforded by the room size and spacing requirements.
	As required:	In addition:

Screening Students and Staff		Designate a quarantine area in the office where students who become ill at school may wait until they are picked up.
		Keep records of any people entering the building who are not staff or students.
		Require that students exhibiting symptoms stay at home until they test negative or have completely recovered according to the current CDC guidelines.
		Require that staff exhibiting respiratory or gastrointestinal symptoms or a fever of 100.4 F or higher stay at home.
	As required:	In addition:
Testing Protocols for Students and Staff and Responding to Positive Cases		Require any student or staff who develop a fever or become ill with COVID-19 symptoms to wear a mask and be transported (by parent/guardian for student or by ambulance if clinically unstable) off-site in order to contact their doctor, request to be tested and then to follow the doctor's instructions.
		Require any symptomatic students or staff sent home from school to remain home until they test negative for COVID-19, or are released from isolation according to current CDC guidelines.
		Work with the Saginaw County Health Department to identify students who have come in close contact with an individual at school who has a laboratory positive or a clinically diagnosed case of COVID-19.
		Communicate to families the existence of a lab positive or clinically diagnosed case of COVID-19 while maintaining the privacy of the individual. Assist the SCHD in contacting the families of students/staff who were in close contact.
	As required:	In addition:
Responding to Positive Tests Among Staff and Students		Will notify the Saginaw County Health Department, school staff, students, and parents of any possible case of COVID-19 while maintaining confidentiality consistent with the ADA and other applicable federal and state privacy laws. Follow all guidelines of the SCHD as they relate to handling a positive case.
	As required:	In addition:
Food Service, Gathering,		Follow current restrictions on group size for indoor activities (lunch, chapel,

and ExtraCurricular Activities		assemblies, etc.).
	As required:	In addition:
Athletics		Comply with all guidelines published by the MHSAA and NFHS.
		Require any participating students or staff to confirm they are healthy prior to any practice or event and to use proper hand washing/sanitizing before and after the practice or event.
		Disinfect all equipment before and after use.
		Require the cleaning and disinfecting of any bus used for transporting students and staff to an athletic event. Encourage use of facial coverings on the bus.
		Require that each participant use a clearly marked water bottle for individual use with no sharing.
		Limit large-scale outdoor spectator events to 250 people and indoor events to 50 people, utilizing social distancing for people not part of the same household.
	As required:	In addition:
Cleaning		Clean frequently touched surfaces (i.e. light switches, door knobs, etc.) on a regular basis during the school day.
		Clean RC, Computer Lab, Art Room, and Science Labs on a regular basis.
		Clean student desks on a regular basis.
	As required:	In addition:
Busing and Student Transportation (used only for athletics)		Recommend that anyone entering the bus should use hand sanitizer.
		Recommend that all people riding the bus should wear facial coverings.
		Clean and disinfect vehicles before and after each use.

	As required:	In addition:
Medically Vulnerable Students		Provide alternative learning plans for students diagnosed with COVID-19 or other high-risk medical issues.
	As required:	In addition:
Mental and Social-Emotional Health		Continue providing information to staff, students, and parents about stress, anxiety, depression, and dealing with trauma.
	As required:	In addition:
Instruction		Continue collaborating within academic departments (math, science, English, etc.) to ensure continuity of learning.
