STUDENT DIRECTORY AND INFORMATION RELEASE

From time to time directory information is released. This includes the publication of the student directory as well as releases to the media for publication (honor roll, student awards, etc.) Students may be photographed while participating in school activities. Such images may appear in news articles and school publications, such as yearbook, social media, brochures and the school website. Please initial here ____ if you **do not want** directory information released.

FINANCES

Tuition must be paid on time. Credit for courses taken will be granted only if tuition and fees are fully paid. Students with past due accounts will not receive school records, grades or transcripts. Parent/guardian agrees that tuition will not be listed in bankruptcy proceedings. If your account should go delinquent, all costs we incur to collect this debt will be your responsibility. These costs include, but may not be limited to, late charges, collection agency fees, attorney fees and court costs. Students may be removed from classes if tuition is in arrears.

Students who withdraw, or are removed from the student body during the school year, are responsible for the full tuition for any quarter that they attended in whole or in part. Students withdrawing before the end of a school year must also surrender their student identification card or pay \$50. ****Financial Aid Application on vlhs.com website or <https://online.factsmgt.com>**
